

Appl. No. : 10/691,471  
Filed : October 21, 2003

### REMARKS

The specification and drawings have been amended to conform them to U.S. patent practice. Claims 1, 3, 6, 8, 10, 12, 17, 21, 25, 32 and 34-40 have been amended. Claims 41 and 42 have been added. The amendments to the claims are merely made for clarification or to conform the claims to U.S. patent practice, and do not narrow the scope of protection. New Claims 41 and 42 are supported by, for example, original Claim 1. Thus, the amendments to the claims, specification and drawings do not constitute the addition of new matter to the application.

In view of the above, entry of the amendments is respectfully requested. Upon entry of the amendments, Claims 1-42 are pending in this application. Should there be any questions concerning this application, the Examiner is respectfully invited to contact the undersigned at the telephone number appearing below.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
